

## ABOUT THE UNIVERSITY

Anna University was established on 4<sup>th</sup> September 1978 as a unitary type of University. It offers higher education in Engineering, Technology and allied Sciences relevant to the current and projected needs of the society. Besides promoting research and disseminating knowledge gained there from, it fosters cooperation between the academic and industrial communities.

## ABOUT THE CENTRE

Ramanujan Computing Centre (RCC) is functioning as a technology provider to students, researchers and teaching community to fulfill their computational, technological and internet requirements. RCC is the first of its kind in the Southern Region to render service to the academic community to the entire region.

Dr. J. Indumathi is currently the Director of the Centre. RCC renders computational and data centric services to the academicians, students and the administrative staff of the University and also undertakes entrance examinations and admission processing of all the courses of Anna University.
